MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Call From Ed Levine, Senate Select Committee on  
Intelligence (SSCI)

On 20 September 1983 Ed Levine, Senator Dave Durenberger's  
(R., MN) designee on the SSCI, asked again whether CIA would not  
want to volunteer to provide a witness for the 28 September  
hearings by the Committee on the Foreign Intelligence Surveillance

Justice, and [ ] Office of General Counsel, I informed  
Mr. Levine that CIA would not send a witness to those hearings.

[Redacted]

[Redacted] ran into Ed Levine on the Hill  
and Ed would like to pose the following question  
to you:

He recalls that we had an observer  
at the SSCI hearing on the FISA  
Bill. In view of the fact NSA has  
said that the whole Community has  
a stake in that Bill, would you  
want to have a witness at the  
SSCI hearing on the 28th? Earlier we  
had an observer; he is now giving us  
a chance to have a witness.

[Redacted]

you can call Ed directly or  
he will relay the message.
